

INTRODUCING

SPX

Modular Racking

OVERVIEW

The SPX range features a versatile selection of multi-tier racking (available in 3, 4, and 5 tiers), locker and drawer units, and a wide range of accessories to maximise storage efficiency.

Designed to optimise space in small, medium, and large vans, this brochure showcases all available options to meet the needs of any trade professional.

STANDARD RACKING UNITS

Versatile shelving solutions designed to maximise storage in commercial vehicles. Available in multiple sizes and configurations to suit different needs.

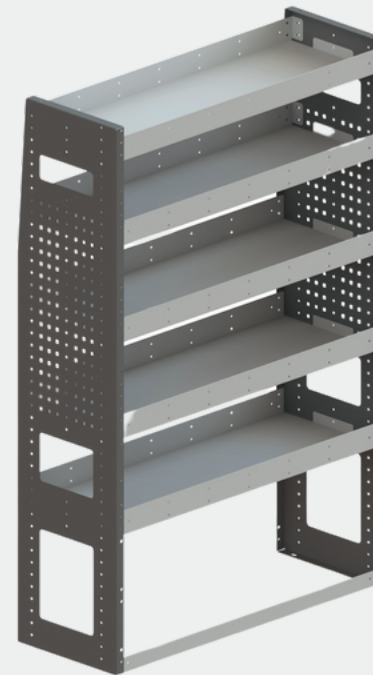

Featuring robust side panels for support and integrated kick plates for extra floor-level storage. Ideal for tradespeople in any industry.

3 TIER

4 TIER

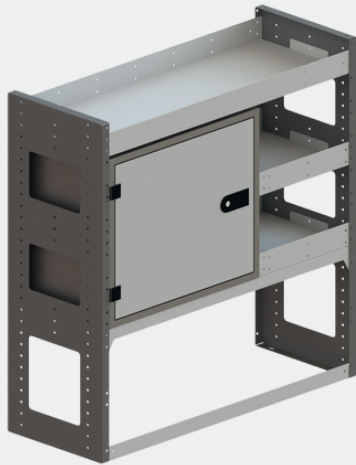

5 TIER

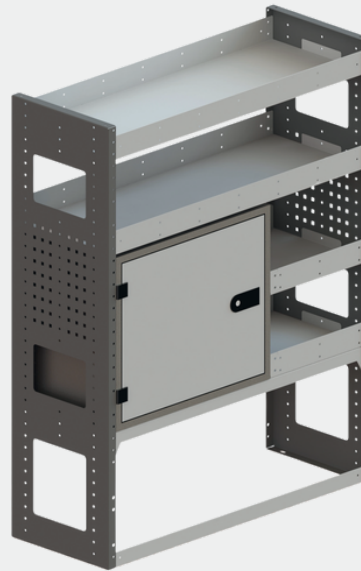

RACKING UNITS WITH INTEGRATED LOCKER

Smartly designed shelving modules with built-in lockers, offering secure and efficient storage for commercial vehicles. Available in various sizes and layouts to fit different van models.

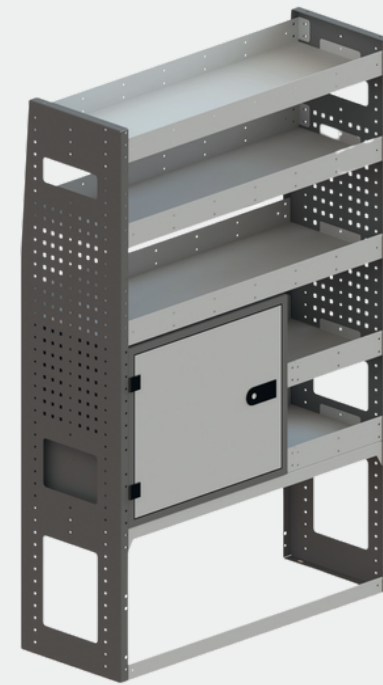

Engineered for strength and practicality, featuring reinforced structures, dedicated floor-level storage sections, and secure lockers to keep tools organised and easily accessible.

3 TIER

4 TIER

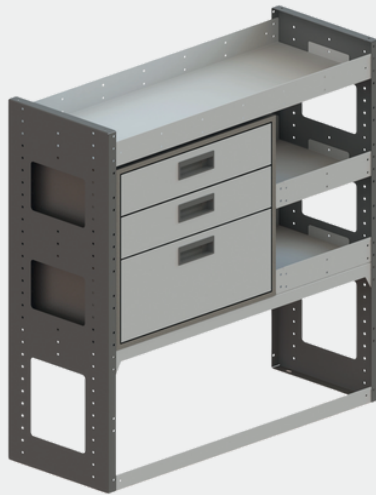

5 TIER

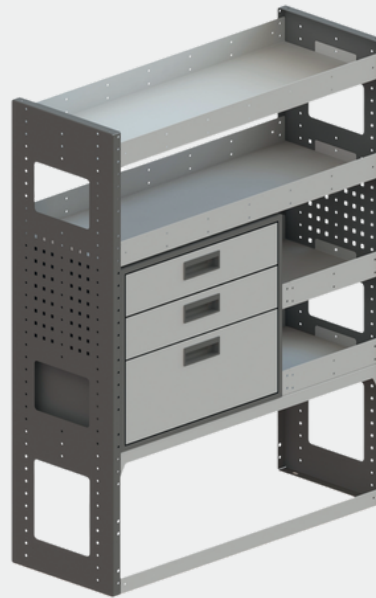

RACKING UNITS WITH INTEGRATED DRAWERS

Modular racking systems with built-in drawers, providing secure and efficient storage for commercial vehicles. Available in a range of sizes and configurations to suit different van setups.

Designed for durability and organisation, featuring a reinforced structure, lower storage compartments, and smooth-sliding drawers for quick and easy access to tools and equipment.

3 TIER

4 TIER

5 TIER

RACKING UNITS WITH INTEGRATED DRAWERS & LOCKER

Racking units with integrated drawers and lockers for secure, efficient storage in commercial vehicles. Available in multiple sizes and configurations.

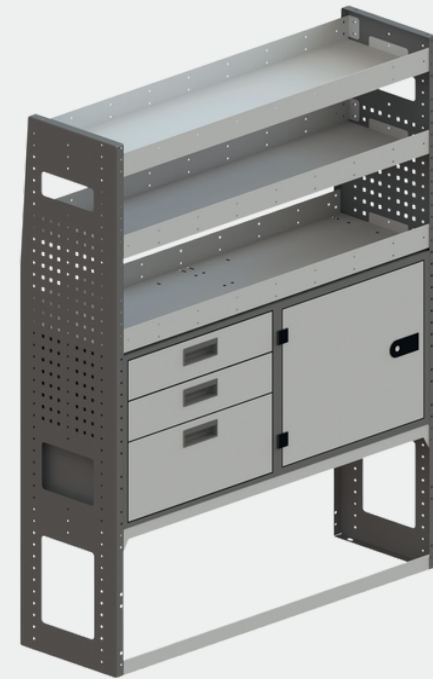

Combines easy-access drawers for small items with secure lockers for larger equipment in a compact, organised system.

2 TIER

3 TIER

4 TIER

RACKING UNITS WITH DUAL DRAWERS

Dual-drawer racking for secure, efficient storage in commercial vehicles, available in various sizes and configurations.

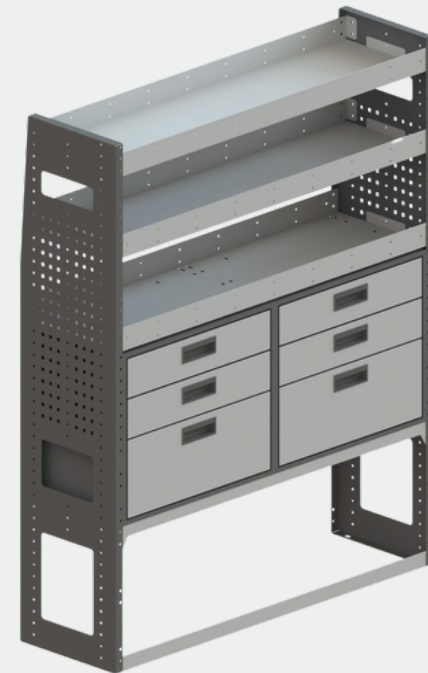

Features low and high drawers for quick access to small items and secure storage for larger equipment, maximising space.
